# Written - Assignment - II
CS202

Ans-1

A sequence of one or more 'a' followed by a sequence of one or more 'b', followed by a sequence of one or more 'c'.
For eg :- aabc, abbccc etc.

Ans-2

a)

b) No, the sentence is not valid as var [2]. actual_type != var [3]. actual_type, violating the predicate of statement 5.
Further,
<expr> . actual_type != <expr> . expected _ type, violating predicate of statement 3.
